Final Charge and Send-Off

Introduction

Welcome to this powerful collection of my prophetic declarations. These aren't just words; they are **divinely inspired decrees** organized into thematic chapters to help you focus your faith and command your breakthrough in every area of life. I release these decrees to break generational curses, release destiny, and activate divine favor.

As you read and speak these declarations aloud, believe that you are activating the power of God to shift circumstances, crush limitations, and establish the **unstoppable victory** already promised to you. Your season of turnaround starts now!

The Authority of the Word: A Charge to the Reader

Beloved, let this truth settle deep in your spirit: The power of God is not distant, reserved only for a few—it is present, active, and available for enforcement through your mouth. This book is founded upon the immovable truth found in the Scripture: **When you decree a thing, it shall be established for you** (Job 22:28).

This is the distinction that changes everything: many have spent years pleading with God, believing their role is to passively beg for intervention. But the Kingdom reality is that as a covenant child of God, you have been vested with the **legal right and spiritual authority to command change**. You are not a petitioner; you are a **territorial commander on assignment.**

The declarations within these pages are not religious formulas, but **spiritual law**. They provide the vocabulary of command necessary to speak directly to the mountains in your life and demand their movement. They are designed to empower you to affect every area of your life and destiny that God intends for you to command.

Take this charge: **Stop negotiating with the enemy!** Lift your voice, declare these truths with conviction, and begin the process of establishing an unstoppable victory. Your destiny awaits your decree.

Archbishop Nicholas Duncan-Williams

The Art of Decree: Your Covenant Strategy

These declarations are designed to activate covenant promises through the power of your spoken word. For maximum impact, approach them not as mere requests, but as legal decrees, enforcing God's will on earth.

I. Speak Aloud with Authority

Your voice is the instrument of enforcement. Do not whisper or read silently. Declare these words with the spiritual authority you have in Christ Jesus (Luke 10:19).

II. Activate Faith and Expectation

When you speak a declaration, visualize the immediate manifestation of the breakthrough. Believe that the moment the word leaves your mouth, the spiritual process has begun (Mark 11:23-24).

III. Consistency is Key

Warfare is not a one-time event. Declare these words **daily**—ideally in the morning to set the course of your day and at night to secure your rest and command the hours of darkness.

IV. Personalize and Focus

While the declarations are powerful generally, customize them. After reading each chapter, use the **'My Breakthrough Focus'** section to name specific areas in your life and declare the victory over them.

1: Divine Favor, Anointing, & General Blessing

These declarations focus on receiving supernatural favor, anointing, wisdom, speed, and the general blessing of God.

1. I release the oil of breakthrough and prosperity, the oil of the double portion, the oil of acceleration, the oil of the anointing, the oil of healing, the oil of the presence of God, the oil of glory, the oil of favor, and the oil of restoration upon your life. **Receive it now!**
2. I declare **supernatural speed and divine acceleration.** May you achieve in a short period what others take a lifetime to achieve.
